

DAVE REMLEY BIOGRAPHY

Dave Remley resides in Honeoye Falls, New York, along with his wife, Cindy. He has an extensive background among the carriage driving sports and has competed with horses and ponies for over 50 years in both the U.S. and Canada. He has been actively judging for over 35 years and holds registered (R) status with the ADS and USEF in both Pleasure Driving and Coaching disciplines. Dave has had the privilege of studying and work under the direction of Dr. Leslie Kozsely for several years, putting together pairs, tandems, four-in-hands and coaching turnouts of many different horse and pony breeds. He also served as head coachman for Mr. and Mrs. Henry DuPont of Greenville, Delaware, working with their Morgans, and for Mr. and Mrs. Howard Fafard of Framingham, Massachusetts, working with their Lipizzans. Dave has also been very fortunate to have trained with Philip and Jennifer DuBois, working with their Morgan horses in Peterborough, New Hampshire. As a competitor, Dave has competed at various pleasure driving venues, including the Canadian Carriage Driving Classic, Royal Agricultural Winter Fair, Walnut Hill Farm Driving Competition, East Aurora Driving Competition and the Lorenzo Driving Competition. He has also competed at several combined driving events, including Gladstone, New Jersey and the Myopia Driving Event in Massachusetts.

Dave grew up at Walnut Hill Farm in Pittsford, New York. His parents, Bill and Sue Remley, were founders of the popular Walnut Hill Farm Driving Competition, which was the site of the largest pleasuring driving competition in the United States for several decades. One of Dave's hobbies is sounding the coach horn. He often travels with one or two of his horns when attending driving competitions and carriage meetings. He enjoys getting together with other coach horn enthusiasts and exchanging information regarding the coach horn, as well as helping and encouraging newcomers in sounding.

Dave and Cindy continue to enjoy riding and driving their Friesian Sport Horse and their Morgan horse as much as they can.
